

American Heart Association Courses

“The American Heart Association’s Emergency Cardiovascular Care Programs deliver a dynamic message of hope — the hope of saving lives.” – A.H.A.

Certification Programs:

Our courses are offered on a variety of schedules. Current dates are listed below but always check our web site for the most up to date information, locations, and to enroll.

NEW FORMAT!

Basic Life Support for Healthcare Providers (CPR): on-line module | in-person skills practice & testing | \$65
▪ **May 16 Wed: 5-6p, 6:30-7:30p, or 8-9p**

Complete the on-line module at your convenience and then come in for the skills practice and skills testing! This course works for initial certifications and recertifications. It covers infant and child CPR, one- and two-rescuer adult CPR, treatment of choking patients, heart disease prevention, and using an AED.

Basic Life Support for Healthcare Providers (CPR)

1 day | 12:30-5:30pm | \$65

▪ **Apr 3 Tue 6-10p** ▪ **Apr 7 Sat** ▪ **May 8 Tue**

This 4-hour in-person course covers infant and child CPR, one- and two-rescuer adult CPR, treatment of choking patients, heart disease prevention, and using an AED (automatic external defibrillator).

Basic Life Support for Healthcare Providers (CPR) – Recertification

1 day | 10am -12Noon | \$65

▪ **Apr 7 Sat** ▪ **May 8 Tue**

Keeping your certification current requires recertification every two years. Attend this course or the new format listed above!

Advanced Cardiac Life Support (ACLS) Provider

2 days | 8am-5pm | \$195

▪ **May 21 & 22 Sat & Sun**
▪ **Jun 19 & 20 Tue & Wed**

This comprehensive two-day program features lecture topics on acute care, pathophysiology, treatment modalities and pharmacology related to the heart. As a student you will undergo an intensive skills evaluation as well as written testing.

Advanced Cardiac Life Support (ACLS) Provider - Recertification

1 day | 8am-5pm | \$135

▪ **Apr 5 Thu** ▪ **Apr 28 Sat**

Staying current as a ACLS provider requires routine recertification every two years.

Pediatric Advanced Life Support (PALS) Provider

2 days | 8am-5pm | \$195

▪ **May 5 & 6 Sat & Sun**

This 2-day course covers the assessment criteria for infants and children at risk for cardiopulmonary arrest and to identify the signals and/or actions for the prevention of cardiopulmonary arrest in infants and children.

Pediatric Advanced Life Support (PALS) Provider – Recertification

2 days | 8am-5pm | \$135

▪ **May 6 Sun**

Staying current as a PALS provider requires routine recertification every two years.

For other dates, additional information, and to register for these or other courses visit us at:

www.cpc.mednet.ucla.edu

Continuing education credit is available for most courses. Courses with an asterisk do not offer prehospital CE hours. The Center for Prehospital Care is an approved Continuing Education Provider for the California EMS Provider, #19-0307 and the California Board of Registered Nursing, CEP-12416. The number of CE hours and objectives are available upon request.

Please note, refund and transfer requests must be made in writing and received by our office no later than fourteen days prior to the start date of course. An administrative fee will be assessed. A full refund will be issued in the event of a course cancellation. Payment plans are available.

Disclaimer: The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for this course, except for a portion of fees needed for AHA course materials, do not represent income to the Association.
