EMERGENCY MEDICAL SERVICES AUTHORITY
ANNOUNCES 2009 ANNUAL EMS AWARDS

SACRAMENTO – Twenty-nine emergency medical services providers and associates were recognized today by the Emergency Medical Services Authority (EMSA) for exceptional acts of bravery and service to their communities and the state. Daniel R. Smiley, Acting Director of the EMS Authority, presented the EMS Awards for service in 2009 at a meeting of the Commission on EMS in San Francisco.

“I am proud to present awards for heroic lifesaving efforts that highlight the excellent training and commitment of our providers,” said Smiley. “It’s equally important that we honor the individuals who have dedicated their entire careers to building and improving our EMS service in California. Their work has saved lives every day through creation, development and oversight of a coordinated, efficient and effective statewide EMS system.”

The EMS awards were created in 2007 to honor and recognize noteworthy or exceptional acts and service while working as EMS certified or licensed personnel, administrators, trainers, or volunteers within the EMS system. Visit www.emsa.ca.gov/about/awards/default.asp for information about the EMS Awards.
