Please respond to all items requested in this Request for Quotation (RFQ) and quote the cost of every item that you cannot provide on a complimentary basis. Incomplete responses may disqualify the property from consideration.		

**Pricing and Overall Consideration**

As with any government group, total overall cost is a key factor. This group is looking for the best value. Some of the many factors taken into account while evaluating proposals are the price of the single guest room rate (including tax), the value of incentives provided within the single guest room rate, the total cost of meeting space and the cost of individual round-trip airport transportation.

**Please keep in mind that the State cannot pay deposits in advance, cancellation and attrition fees, or penalties.** Final meeting requirements (A/V, Food, and Beverage) will be finalized upon execution of contract by a separate event banquet order addendum to the contract. Any agreement entered into with the State of California will have the following included by reference: General Terms and Conditions (GTC-610) which can be viewed and downloaded at the following internet site:

<http://www.documents.dgs.ca.gov/ols/GTC-610.doc>

**The best proposal would include within the California State government rate:**

- Complimentary A.M. coffee, tea, and decaf with unlimited replenishment
- Complimentary P.M. iced tea, coffee service, and snacks
- 30% discount on audio visual equipment rental
- Wireless internet
- Complimentary meeting space
- Complimentary parking
- One (1) comp per forty (40) cumulative guest rooms
- Courtesy hotel/airport shuttle

**Event Background**

Over a three day period the Emergency Medical Services Authority (EMSA) coordinates the following quarterly meetings: EMSA Commission, EMSA Data, Emergency Medical Services Administrators Association of California (EMSAAC), and the Emergency Medical Directors Association of California (EMDAC).
