

**SAN DIEGO URBAN AREA SECURITY INITIATIVE  
(UASI)**  
San Diego Office of Homeland Security

**Course Title: TACTICAL MEDICINE – TECHNICIAN**

**Course Description:** This 40 hour course meets and exceeds California POST and EMSA guidelines for Tactical Medicine and provides 40 hours of CAPCE (formerly CECBEMS) credits and/or POST CPT for LE officers. It is held at the Strategic Operations facility in San Diego and utilizes their full hyper-realistic capabilities which you can view at [www.strategic\\_operations.com](http://www.strategic_operations.com). In addition to passing all of the required skills practicum's, at the end of the course each student will take the written exam for NAEMT TCCC/TECC certification as well as coaching for national IBSC Tactical Paramedic Certification (TP-C). Whether certifying as a tactical paramedic on a SWAT team or preparing for Rescue Task Force (RTF) deployment at violent MASCALs, this course will imbue the inter-operable core skills you will need to provide under pressure.

**Target Audience:** 1. Paramedics assigned to a SWAT Team. 2. Paramedics preparing for Rescue Task Force deployments. 3. Advanced EMTs assigned as medics on federal tactical teams
