

Website Accessibility Certification

California Department of Technology

SIMM 25B July 2021

State Agency or Entity Name: Emergency Medical Services Authority

The undersigned certify as of July 1, 2021, that the Emergency Medical Services Authority is working to ensure its Internet website will be in compliance with California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.0, or a subsequent version, published by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria. Ongoing efforts include conversion of historical documents to an accessible format and engaging with third parties to address accessibility of their documents and content. The Emergency Medical Services Authority strives to ensure that its website content and services are accessible to all visitors.
