CORE VALUES / MISSION
The mission of EMSA is to prevent injuries, reduce suffering, and save lives by developing standards for and administering an effective statewide coordinated system of quality emergency medical care and disaster medical response that integrates public health, public safety, and healthcare.

POSITION CONCEPT
Under the general direction of the Team Leader designated for deployment, the Health and Safety Officer (HSO)/Safety Officer (SO) is a member of an assigned California Medical Assistance Team (CAL-MAT)/Mission Support Team (MST). The Health and Safety Officer oversees all health and safety aspects of disaster response team personnel while on a mission. This includes the personal safety of members while at the mobilization center/deployment center, in vehicles or aircraft used during transit, at layover sites, the Point of Arrival/Mobilization Center, the Base of Operations, and all Areas of Operations, as well as patient safety. Ensures that optimal safety and injury prevention is being practiced at all times, as appropriate, including proper respiratory protection use, hard hat protection, Universal Precautions during medical care, safe operation of motor vehicles and other considerations.

SPECIAL REQUIREMENTS
☐ Conflict of Interest ☐ Medical Evaluation ☐ Background Evaluation ☐ Background Evaluation FTB ☐ Office Technician (Typing)

Excellent leadership and problem solving skills,
Analyze situations accurately, make recommendations, and take effective action.
Willingness to work as a team member with other professional staff; willingness to provide patient-oriented services.

**INTERPERSONAL SKILLS**
Work well as part of a team and independently as necessary.
Build good working relationships with constituents, colleagues, and consultants.

WORK ENVIRONMENT, MENTAL AND PHYSICAL ABILITIES
Shall be required to work in the field, with a Mission Support Team, or location to provide assistance in emergency response and recovery activities.  
Ability to accept a 14 consecutive day deployment with the potential to decrease or extend (This means all personal appointments should be cleared before accepting this assignment).  
Ability to work irregular work hours (7 days a week, 12 hour shifts)  
Ability to function in austere living conditions such as base camp style (or similar) housing/lodging.  
Ability to self-sustain for first 24 to 72 hours.  
Ability to effectively handle stress, multiple tasks and tight deadlines calmly and efficiently.  
Ability to communicate confidently and courteously with people of different backgrounds, different ethnic origins, and different personality types; with the general public, private sector professionals and people of various level of responsibility within state, local and the federal government.  
Ability to consistently exercise good judgment and effective communication skills.  

PHYSICAL ABILITY
Persons appointed to this position must be reasonably expected to have and maintain sufficient strength, agility and endurance to perform during stressful (physical, mental, and emotional) situations as may be encountered during deployments without compromising their health and well-being, or that of their fellow team members or patients.

You are a valued member of the department’s team. You are expected to work cooperatively with team members and others to enable the department to provide the highest level of service possible. Your creativity and productivity are encouraged. Your efforts to treat others fairly, honestly and with respect are important to everyone who works with you.

I have discussed with my supervisor and understand the duties of the position and have received a copy of the duty statement.
