COUNTY OF SAN DIEGO - REQUEST FOR PROPOSALS (RFP 9893)
HEALTH AND HUMAN SERVICES AGENCY, MEDICAL CARE SERVICES DIVISION
EMERGENCY MEDICAL SERVICES
9-1-1 ADVANCED LIFE SUPPORT LEVEL AMBULANCE SERVICES
FOR THE UNIFIED SERVICE AREA (USA)

The County of San Diego is seeking proposals from firms interested in providing 9-1-1 Advanced Life Support Ambulance Services for the Unified Service Area. ("Offerors").

The County of San Diego, Health and Human Services Agency (HHSA), Medical Care Services Division, Emergency Medical Services is requesting proposals for 9-1-1 Advanced Life Support Level Ambulance Services for the Unified Service Area (USA). Contractor(s) shall provide all management, personnel, equipment, materials and supplies and provide mutual aid to adjacent areas, as needed. Additionally, the Contractor shall provide billing, interface with first responder agencies, community education services, and participate in quality assurance activities and regional quality improvement processes.

The County of San Diego, Health and Human Services Agency is a State of California designated Local Emergency Medical Services Authority (LEMSA). As the LEMSA, the County provides oversight and regulation enforcement for the prehospital emergency medical services system in San Diego County. In addition, the LEMSA is responsible for ensuring procurement of Advanced Life Support ambulance services for designated areas of the county.

In December 2017, the Board of Supervisors authorized the implementation plan for the Unified Service Area for the restructuring of Advanced Life Support emergency ambulance areas in unincorporated San Diego County along with the inclusion of previously undesignated areas. In 2018, the USA Request for Proposal development process included a series of stakeholder and community listening sessions conducted by The Abaris Group. A total of thirteen (13) listening sessions were conducted in the operating area communities. Information gathered from the sessions, along with recommendations from industry and leading best practice research was compiled into a final report for consideration in developing the service model.

The goals of the USA service delivery model are to reduce response times in more populated areas in the backcountry, to eliminate all of the County's unserved areas by adding them to existing service areas and to operationally unify the operations of the contractor(s). The USA contractor(s) will use the Local Emergency Medical Service Information System (LEMSIS) so that the LEMSA can monitor and measure critical elements which can improve patient care, communications with hospitals and provide information for system wide data analysis. Part of this model is to combine the dispatch and resource coordination functions of the ground ambulance resources of the contractor(s) at Monte Vista Interagency Communications Center so that Fire/Rescue Helicopters, Air Ambulances, Advanced Life Support (ALS) and Basic Life Support (BLS) Engine Companies can be assigned to an incident allowing placement of the right care, to the right patient, at the right location, at the right time. This proposed model will provide system plans to increase the fluidity of resource deployment throughout the backcountry based on surge, weather, special events or other reasons.

USA is divided into three distinct operating areas, Inland North, Inland Central and Inland South. USA spans an area of 2,660 square miles, has a total population of about 84,178 residents with approximately 8,454 ALS ambulance transports

annually. The USA operating areas have smaller numbers of residents yet experience large numbers of seasonal and weekend visitors for recreational activities, creating significant fluctuations in population. The areas are geographically large and home to desert and mountainous terrain with winding roads; occasional weather constraints including extreme heat, fog, snow, and ice and have areas not well mapped. Combined, the existing operating areas and six undesignated areas represent over 50 percent of the land mass of San Diego County.

The County is utilizing a competitive Request for Proposal (RFP) solicitation to select the contractor(s) for these services. The procurement may result in multiple awards.

Offeror must submit a separate proposal for each operating area within the Unified Service Area (USA) they propose to serve. Each proposal will be evaluated individually on its own merit. An Offeror must be acceptable in all areas to be eligible for award of a contract. The expectation is that those proposals determined to be acceptable and eligible for contract award may exceed the minimum requirements.

Supplemental Proposal (optional) – If being awarded multiple operating areas would result in outcome, performance, and/ or cost efficiencies for the county, Offerors may submit a supplemental proposal(s) consisting of Sections 1 and 3 of the Submittal Requirements. Supplemental proposal(s) should describe the proposed efficiencies in sufficient detail to be able to evaluate the associated efficiencies for reasonableness. Supplemental proposals are required for proposed linkages between two or more operating areas within the USA and may only be submitted in addition to individual proposals for each operating area. Additional points will be awarded for supplemental proposals.

Contract Period – The County anticipates awarding a contract(s) with an initial term of April 1, 2020 through September 30, 2020 and five, one-year renewal options through September 30, 2025 and up to an additional six-month option period if needed.

The Contracting Officer for this solicitation is Kristen McEachron, Senior Procurement Contracting Officer kristen.mceachron@sdcounty.ca.gov

4. CONTRACT TEMPLATE AND INSURANCE REQUIREMENTS ACCEPTANCE/CLAUSE EXCEPTION(S) STATEMENT

The County has determined that it will use the County's form of agreement and insurance requirements as the basis for the contract and is prepared to execute the agreement as the basis for the contract.

Offeror shall indicate acceptance or rejection of both the proposed agreement and the insurance requirements, including insurance terms. If Offeror does not accept the terms of any clause as written, propose the specific language changes (deletions and insertions) that would make the term acceptable to your organization; if clarification is needed, indicate the provision and the specific wording that was found unclear, and why it was considered unclear. Statements that Offeror found the agreement "generally acceptable" or that Offeror "reserves the right to negotiate particular provisions," or that certain terms need "to be discussed" may be deemed non-responsive.

Failure to specifically reject a proposed term will be deemed an acceptance of such term. In addition, if Offeror intends to propose terms that are more favorable to the County than the terms of agreement, do so and propose the specific language changes that would make the terms more favorable. Submit a marked draft in electronic form indicating any changes to the agreement.

The County may or may not elect to negotiate any exceptions taken as part of its pre-selection or post-selection process. Should Offeror take exception(s) to the agreement, Offeror understands that the County may, as part of its process, conclude that exceptions are so numerous and/or material as to make Offeror's response to the solicitation unacceptable.

Failure to comply with any of the requirements herein may render the proposal non-responsive.

ARTICLE 1
PERFORMANCE OF WORK

1.1 Standard of Performance. Contractor shall, in good and workmanlike manner and in accordance with the highest professional standards, at its own cost and expense, furnish all of the labor, technical, administrative, professional and all other personnel, all supplies and materials, equipment, printing, transportation, training, facilities, and all other means whatsoever, except as herein otherwise expressly specified to be furnished by County, necessary or proper to perform and complete the work and provide the services required of Contractor by this Agreement.

1.2 Contractor's Representative. The person identified on the signature page ("Contractor's Representative") shall ensure that Contractor's duties under this Agreement shall be performed on behalf of the Contractor by qualified personnel; Contractor represents and warrants that (1) Contractor has fulfilled all applicable requirements of the laws of the State of California to perform the services under this Agreement and (2) Contractor's Representative has full authority to act for Contractor hereunder. Contractor and County recognize that the services to be provided by Contractor's Representative pursuant to this Agreement are unique: accordingly, Contractor's Representative shall not be changed during the Term of the Agreement without County's written consent. County reserves the right to terminate this Agreement pursuant to Clause 7.1 "Termination for Default", if Contractor's Representative should leave Contractor's employ, or if, in County's judgment, the work hereunder is not being performed by Contractor's Representative.

1.3 Contractor as Independent Contractor. Contractor is, for all purposes of this Agreement, an independent contractor, and neither Contractor nor Contractor's employees or subcontractors shall be deemed to be employees of the County. Contractor shall perform its obligations under this Agreement according to the Contractor's own means and methods of work, which shall be in the exclusive charge and under the control of the Contractor, and which shall not be subject to control or supervision by County except as to the results of the work. County hereby delegates to Contractor any and all responsibility for the safety of Contractor's employees, which shall include inspection of property to identify potential hazards. Neither Contractor nor Contractor's employees or subcontractors shall be entitled to any benefits to which County employees are entitled, including without limitation, overtime, retirement benefits, workers' compensation benefits and injury leave.

1.4 Contractor's Agents and Employees or Subcontractors. Contractor shall obtain, at Contractor's expense, all agents, employees and subcontractors required for Contractor to perform its duties under this Agreement, and all such services shall be performed by Contractor's Representative, or under Contractor's Representatives' supervision, by persons authorized by law to perform such services. Retention by Contractor of any agent, employee or subcontractor shall be at Contractor's sole cost

and expense, and County shall have no obligation to pay Contractor's agents, employees or subcontractors; to support any such person's or entity's claim against the Contractor; or to defend Contractor against any such claim.

Any subcontract or consultant agreement that is in excess of fifty thousand dollars ($50,000) or twenty five percent (25%) of the value of the contract, whichever is less, or a combination of subcontracts or consultant agreements to the same individual or firm for the agreement period, or any subcontract or consultant agreement for professional medical or mental health services, regardless of value, must have prior concurrence of the Contracting Officer's Representative ("COR"). Contractor shall provide Contracting Officer Representative with copies of all other subcontracts relating to this Agreement entered into by Contractor within 30 days after the effective date of the subcontract. Such subcontractors of Contractor shall be notified of Contractor's relationship to County. "Subcontractor" means any entity, other than County, that furnishes to Contractor services or supplies relevant to this Agreement other than standard commercial supplies, office space, and printing services.

1.4.1 Contractor Responsibility. In the event any subcontractor is utilized by Contractor for any portion of the project, Contractor retains the prime responsibility for carrying out all the terms of this Agreement, including the responsibility for performance and insuring the availability and retention of records of subcontractors in accordance with this Agreement. No subcontract utilizing funds from this Agreement shall be entered into if it has a term extending beyond the ending date of this Agreement.

1.4.2 Mandated Clause. All subcontracts shall include the Standard Terms and Conditions required of Contractor Articles 3, 7, 8, 9, 10, 11, 12, 13, 14 and 16 herein.

1.4.3 County Approval. As identified above, all subcontracts under this Agreement shall have prior written approval of the Contracting Officer Representative.

1.5 Off Shore Prohibition. Except where Contractor obtains the County's prior written approval, Contractor shall perform the work of this Agreement only from or at locations within the United States. Any County approval for the performance of work outside of the United States shall be limited to the specific instance and scope of such written approval, including the types of work and locations involved. Notwithstanding the foregoing, this Section shall not restrict the country or countries of origin of any assets purchased to provide the work hereunder; provided that when such assets are used to provide the work, such assets shall be used only from or at locations within the geographic boundaries of the United States.

ARTICLE 2
SCOPE OF WORK

2.1 Statement of Work. Contractor shall perform the work described in the "Statement of Work" attached as Exhibit "A" to this Agreement, and by this reference incorporated herein, except for any work therein designated to be performed by County.

2.2 Right to Acquire Equipment and Services. Nothing in this Agreement shall prohibit the County from acquiring the same type or equivalent equipment and/or service from other sources, when deemed by the County to be in its best interest.

2.3 Responsibility for Equipment. For cost reimbursement agreements, County shall not be responsible nor be held liable for any damage to persons or property consequent upon the use, misuse, or failure of any equipment used by Contractor or any of Contractor's employees, even though such equipment may be furnished, rented, or loaned to Contractor by County. The acceptance or use of any such equipment by Contractor or Contractor's employees shall be construed to mean that Contractor accepts full responsibility for and agrees to exonerate, indemnify and hold harmless County from and against any and all claims for any damage whatsoever resulting from the use, misuse, or failure of such equipment, whether such damage be to the employee or property of Contractor, other Contractors, County, or other persons. Equipment includes, but is not limited to material, computer hardware and software, tools, or other things.

2.3.1 Contractor shall repair or replace, at Contractor's expense, all County equipment or fixed assets that are damaged or lost as a result of Contractor negligence.

2.4 Non-Expendable Property Acquisition. County retains title to all non-expendable property provided to Contractor by County, or which Contractor may acquire with funds from this Agreement if payment is on a cost reimbursement basis, including property acquired by lease purchase Agreement. Contractor may not expend funds under this Agreement for the acquisition of non-expendable property having a unit cost of $5,000 or more and a normal life expectancy of more than one year without the prior written approval of Contracting Officer Representative. Contractor shall maintain an inventory of non-expendable equipment, including dates of purchase and disposition of the property. Inventory records on non-expendable equipment shall be retained, and shall be made available to the County upon request, for at least three years following date of disposition.

Non-expendable property that has value at the end of the Agreement (e.g. has not been depreciated so that its value is zero), and to which the County may retain title under this paragraph, shall be disposed of at the end of the Agreement as follows: At County's option, it may: 1) have Contractor deliver to another County contractor or have another County contractor pick up the non-expendable property; 2) allow the contractor to retain the non-expendable property provided that the contractor submits to the County a written statement in the format directed by the County of how the non-expendable property will be used for the public good; or 3) direct the Contractor to return to the County the non-expendable property.

ARTICLE 3
DISENTANGLEMENT

3.1 General Obligations.

At County's discretion, Contractor shall accomplish a complete transition of the services as set forth in Exhibit A to this Agreement (for purposes of this Article 3.1, these shall be referred to as the "Disentangled Services") being terminated from Contractor and the Subcontractors to County, or to any replacement provider designated by County, without any interruption of or adverse impact on the Disentangled Services or any other services provided by third parties. This process shall be referred to as the Disentanglement. Contractor shall fully cooperate with County and any new service provider and otherwise promptly take all steps, including, but not limited to providing to County or any new service provider all requested information or documentation, required to assist County in effecting a complete Disentanglement. Contractor shall provide all information or documentation regarding the Disentangled Services or as otherwise needed for Disentanglement, including, but not limited to, data conversion, client files, interface specifications, training staff assuming responsibility, and related professional services. Contractor shall provide for the prompt and orderly conclusion of all work required under the Agreement, as County may direct, including completion or partial completion of projects, documentation of work in process, and other measures to assure an orderly transition to County or the County's designee of the Disentangled Services. All Contractor work done as part of the Disentanglement shall be performed by Contractor and will be reimbursed by the County at no more than Contractor's costs, up to the total amount of this Agreement. Contractor shall not receive any additional or different compensation for the work otherwise required by the Agreement. Contractor's obligation to provide the Services shall not cease until the earlier of the following: 1) The Disentanglement is satisfactory to County, including the performance by Contractor of all asset-transfers and other obligations of Contractor provided in this Paragraph, has been completed to the County's reasonable satisfaction or 2) twelve (12) months after the Expiration Date of the Agreement.

3.2 Disentanglement Process.

The Disentanglement process shall begin on any of the following dates: (i) the date County notifies Contractor that no funds or insufficient funds have been appropriated so that the Term shall be terminated pursuant to the Agreement, Article 7; (ii) the date designated by County not earlier than sixty (60) days prior to the end of any initial or extended term that County has not elected to extend pursuant to the Agreement's, Signature Page, Agreement Term; or (iii) the date any Termination Notice is delivered, if County elects to terminate any or all of the Services pursuant to the Agreement, Article 7. Subject to Exhibit A Contractor's obligation to perform Disentangled Services, and County's obligation to pay for Disentangled Services, shall expire: (A) when funds appropriated for payment under this Agreement are exhausted, as provided in this Agreement, Article 7; (B) at the end of the initial or extended term set forth in this Agreement's, Signature Page, Agreement Term; or (C) on the Termination Date, pursuant to this Agreement, Article 7 (with the applicable date on which Contractor's obligation to perform the Services expires being referred to herein as the "Expiration Date"). Contractor and County shall discuss in good faith a plan for determining the nature and extent of Contractor's Disentanglement obligations and for the transfer of the Disentangled Services in process provided, however, that Contractor's obligation under this Agreement to provide all Disentangled Services shall not be lessened in any respect.

3.3 Specific Obligations.

The Disentanglement shall include the performance of the following specific obligations:

3.3.1 No Interruption or Adverse Impact

Contractor shall cooperate with County and all of the County's other service providers to ensure a smooth transition at the time of Disentanglement, with no interruption of Disentangled Services or other work required under the Agreement, no adverse impact on the provision of Disentangled Services or other work required under the Agreement or County's activities, no interruption of any services provided by third parties, and no adverse impact on the provision of services provided by third parties.

3.3.2 Third-Party Authorizations.

Without limiting the obligations of Contractor pursuant to any other clause in Exhibit A herein, Contractor shall, subject to the terms of any third-party agreements, procure at no charge to County any third-party authorizations necessary to grant County the use and benefit of any third-party agreements between Contractor and third-party contractors used to provide the Disentangled Services, pending their assignment to County. Similarly, at County's direction, Contractor shall obtain all legally necessary client consents or authorizations legally necessary to transfer client data to County or any new service provider.

3.3.3 Return, Transfer and Removal of Assets.

3.3.3.1 Contractor shall return to County all County assets in Contractor's possession, pursuant to Paragraph 2.4 of the Agreement.

3.3.3.2 County shall be entitled to purchase at net book value those Contractor assets used for the provision of Disentangled Services to or for County, other than those assets expressly identified by the Parties as not being subject to this provision. Contractor shall promptly remove from County's premises, or the site of the work being performed by Contractor for County, any Contractor assets that County, or its designee, chooses not to purchase under this provision.

3.3.4 Transfer of Leases, Licenses, and Agreements.

Contractor, at its expense, shall convey or assign to County or its designee such fully-paid leases, licenses, and other agreements used by Contractor, County, or any other Person in connection with the Disentangled Services, as County may select**,** when such leases, licenses, and other agreements have no other use by Contractor**.** Contractor's obligation described herein, shall include Contractor's performance of all obligations under such leases, licenses, and other agreements to be performed by it with respect to periods prior to the date of conveyance or assignment and Contractor shall reimburse County for any losses resulting from any claim that Contractor did not perform any such obligations.

3.3.5 Delivery of Documentation.

Contractor shall deliver to County or its designee, at County's request, all documentation and data related to County, including, but not limited to, the County Data and client files, held by Contractor, and Contractor shall destroy all copies thereof not turned over to County, all at no charge to County. Notwithstanding the foregoing, Contractor may retain one (1) copy of the documentation and data, excluding County Data, for archival purposes or warranty support.

3.4 Findings Confidential. Any reports, information, data, etc., given to or prepared or assembled by Contractor under this Agreement that the County requests to be kept as confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County.

3.5 Publication, Reproduction or Use of Materials. No material produced, in whole or in part, under this Agreement shall be subject to copyright in the United States or in any other country. The County shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under this Agreement. All reports, data and other materials prepared under this Agreement shall be the property of the County upon completion of this Agreement.

ARTICLE 4

County will pay Contractor the agreed upon price(s), pursuant to Exhibit C for the work specified in Exhibit A, Statement of Work. Payment shall be NET 30 days from receipt and approval of invoice unless otherwise stated.

4.1.5.1 Prompt payment for vendors and subcontractors.

4.1.5.1.1. Unless otherwise set forth in this paragraph, Contractor shall promptly pay its vendors and subcontractor(s) for satisfactory performance under its subcontract(s) to this Agreement. Such prompt payment shall be no later than thirty (30) days after Contractor receives payment for such services from County and shall be paid out of such amounts as are paid to Contractor under this Agreement.

4.1.5.1.2. Contractor shall include a payment clause conforming to the standards set forth in Paragraph 4.1.5.2.3 of this Agreement in each of its subcontracts, and shall require each of its subcontractors to include such a clause in their subcontracts with each lower-tier subcontractor or supplier.

4.1.5.2 If Contractor, after submitting a claim for payment to County but before making a payment to a vendor or subcontractor for the goods or performance covered by the claim, discovers that all or a portion of the payment otherwise due such vendor or subcontractor is subject to withholding from the vendor or subcontractor in accordance with the vendor or subcontract agreement, then the Contractor shall:

4.1.5.2.1 Furnish to the vendor or subcontractor and the COR within three (3) business days of withholding funds from its vendor or subcontractor a notice stating the amount to be withheld, the specific causes for the withholding under the terms of the subcontract or vendor agreement; and the remedial actions to be taken by the vendor or subcontractor in order to receive payment of the amounts withheld.

4.1.5.2.2 Contractor shall reduce the subcontractor's progress payment by an amount not to exceed the amount specified in the notice of withholding furnished under paragraph 4.1.5.2.1 of this Agreement and Contractor may not claim from the County this amount until its subcontractor has cured the cause of Contractor withholding funds;

4.1.5.2.3 Upon the vendor's or subcontractor's cure of the cause of withholding funds, Contractor shall pay the vendor or subcontractor as soon as practicable, and in no circumstances later than ten (10) days after the Contractor claims and receives such funds from County.

4.1.5.3 Contractor shall not claim from County all of or that portion of a payment otherwise due to a vendor or subcontractor that Contractor is withholding from the vendor or subcontractor in accordance with the subcontract agreement where Contractor withholds the money before submitting a claim to County.

Contractor shall provide its vendor or subcontractor and the COR with the notice set forth in Paragraph 4.1.5.2.1 of this Agreement and shall follow Paragraph 4.1.5.2.3 of this Agreement when vendor or subcontractor cures the cause of Contractor withholding its vendors or subcontractor's funds.

4.1.5.4 Overpayments. If Contractor becomes aware of a duplicate contract financing or invoice payment or that County has otherwise overpaid on a contract financing or invoice payment, Contractor shall immediately notify the COR and request instructions for disposition of the overpayment.

4.1.6 Conditions Prerequisite To Payments. County may elect not to make a particular payment if any of the following exists:

4.1.6.1 Misrepresentation. Contractor, with or without knowledge, made any misrepresentation of substantial and material nature with respect to any information furnished to County.

4.1.6.2 Unauthorized Actions by Contractor. Contractor took any action pertaining to this Agreement, which required County approval, without having first received said County approval.

4.1.6.3 Default. Contractor was in default under any terms and conditions of this Agreement.

4.1.7 Withholding Of Payment. County may withhold payment until reports, data, audits or other information required for Agreement administration or to meet County or State reporting or auditing requirements are received and approved by COR or designee. The County may also withhold payment if, in the County's opinion, Contractor is in non-compliance with this Agreement.

4.1.8 Availability of Funding. The County's obligation for payment of any Agreement beyond the current fiscal year is contingent upon the availability of funding from which payment can be made. No legal liability on the part of the County shall arise for payment beyond June 30 of the calendar year unless funds are designated by the County and are made available for such performance.

County shall, in its sole discretion, have the right to terminate or suspend Agreement or reduce compensation and service levels proportionately upon thirty (30) days' written notice to Contractor in the event that Federal, State or County funding for this Agreement ceases or is reduced prior to the ordinary expiration of the term of this Agreement. In the event of reduction of funding for the Agreement, County and Contractor shall meet within ten (10) days of written notice to renegotiate this Agreement based upon the modified level of funding. In this case if no agreement is reached between County and Contractor within 10 days of the first meeting, either party shall have the right to terminate this Agreement within ten (10) days written notice of termination.

In the event of termination of this Agreement in accordance with the terms of this Section, Contractor shall be entitled to retain all sums paid as of the effective date of such termination, subject to any payment offset to which County may be entitled, for damages or otherwise, under the terms of this Agreement. In the event of termination of this Agreement pursuant to this Section, in no event shall Contractor be entitled to any loss of profits on the portion of this Agreement so terminated, or to other compensation, benefits, reimbursements or ancillary services other than as herein expressly provided.

4.1.9 Disallowance. In the event the Contractor receives payment for services under this Agreement which is later disallowed by the County, Contractor shall promptly refund the disallowed amount to County on request, or at its option, County may offset the amount disallowed from any payment due or to become due to Contractor under any Agreement with the County.

4.1.10 Maximum Price. During the performance period of this Agreement, the maximum price for the same or similar items and/or services shall not exceed the lowest price at which Contractor then offers the items and/or services to its most favored customer.

ARTICLE 5
AGREEMENT ADMINISTRATION

5.1 County's Agreement Administrator. The Director of Purchasing and Contracting is designated as the Contracting officer ("Contracting Officer") and is the only County official authorized to make any Changes to this Agreement. The County has designated the individual identified on the signature page as the Contracting Officer's Representative ("COR")

5.1.1 County's COR will chair Contractor progress meetings and will coordinate County's Agreement administrative functions. The COR is designated to receive and approve Contractor invoices for payment, audit and inspect records, inspect Contractor services, and provide other technical guidance as required. The COR is not authorized to change

any terms and conditions of this Agreement. Only the Contracting Officer, by issuing a properly executed amendment to this Agreement, may make changes to the scope of work or total price.

5.1.2 Notwithstanding any provision of this Agreement to the contrary, County's COR may make Administrative Adjustments ("AA") to the Agreement, such as line item budget changes or adjustments to the service requirements that do not change the purpose or intent of the Statement of Work, the Terms and Conditions, the Agreement Term or the total Agreement price. Each AA shall be in writing and signed by COR and Contractor. All inquiries about such AA will be referred directly to the COR.

5.2 Agreement Progress Meeting. The COR and other County personnel, as appropriate, will meet periodically with the Contractor to review the Agreement performance. At these meetings the COR will apprise the Contractor of how the County views the Contractor's performance and the Contractor will apprise the County of problems, if any, being experienced. The Contractor shall also notify the Contracting Officer (in writing) of any work being performed, if any, that the Contractor considers being over and above the requirements of the Agreement. Appropriate action shall be taken to resolve outstanding issues. The minutes of these meetings will be reduced to writing and signed by the COR and the Contractor. Should the Contractor not concur with the minutes, the Contractor shall set out in writing any area of disagreement. Appropriate action will be taken to resolve any areas of disagreement.

ARTICLE 6
CHANGES

6.1 Contracting Officer. The Contracting Officer may at any time, by a written order, make changes ("Changes"), within the general scope of this Agreement, in the definition of services to be performed, and the time (i.e.) hours of the day, days of the week, etc. If any such Change causes an increase or decrease in the cost of, or the time required for, the performance of any part of the work under this Agreement, whether changed or not changed by such an order, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified in writing accordingly. Such changes may require Board of Supervisors approval.

6.2 Claims. Contractor must assert any claim for adjustment under this clause within thirty (30) days from the date of receipt by the Contractor of the notification of Change; provided, however, that the Contracting Officer, if he decides that the facts justify such action, may receive and act upon any such claim asserted at any time prior to final payment under this Agreement. Where the cost of property made obsolete or excess as a result of a change is included in the Contractor's claim for adjustment, the Contracting Officer shall have the right to prescribe the manner of disposition of such property. Failure to agree to any adjustment shall be a dispute concerning a question of fact within the meaning of the clause of this Agreement entitled "Disputes" (Article 15). However, nothing in this clause shall excuse the Contractor from proceeding with this Agreement as changed.

ARTICLE 7
SUSPENSION, DELAY AND TERMINATION

7.1 Termination for Default. Upon Contractor's breach of this Agreement, County shall have the right to terminate this Agreement, in whole or part. Prior to termination for default, County will send Contractor written notice specifying the cause. The notice will give Contractor ten (10) days from the date the notice is issued to cure the default or make progress satisfactory to County in curing the default, unless a different time is given in the notice. If County determines that the default contributes to the curtailment of an essential service or poses an immediate threat to life, health or property, County may terminate this Agreement immediately upon issuing oral or written notice to the Contractor without any prior notice or opportunity to cure. In the event of termination under this Article, all finished or unfinished documents, and other materials, prepared by Contractor under this Agreement shall become the sole and exclusive property of County.

In the event of such termination, the County may purchase or obtain the supplies or services elsewhere, and Contractor shall be liable for the difference between the prices set forth in the terminated order and the actual cost thereof to the County. The prevailing market price shall be considered the fair repurchase price. Notwithstanding the above, Contractor shall not be relieved of liability to County for damages sustained by County by virtue of any breach of this Agreement by Contractor, and County may withhold any reimbursement to Contractor for the purpose of off-setting until such time as the exact amount of damages due County from Contractor is determined.

If, after notice of termination of this Agreement under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, the rights and obligations of the parties shall, if this

Agreement contains a clause providing for termination for convenience of the County, be the same as if the notice of termination had been issued pursuant to such clause.

7.2 Damages for Delay. If Contractor refuses or fails to prosecute the work, or any separable part thereof, with such diligence as shall ensure its completion within the time specified in this Agreement, or any extension thereof, or fails to complete said work within such time, County will be entitled to the resulting damages caused by the delay. Damages will be the cost to County incurred as a result of continuing the current level and type of service over that cost that would be incurred had the Agreement segments been completed by the time frame stipulated and any other damages suffered by County.

7.3 County Exemption from Liability. In the event there is a reduction of funds made available by County to Contractor under this or subsequent agreements, the County of San Diego and its Departments, officers and employees shall incur no liability to Contractor and shall be held harmless from any and all claims, demands, losses, damages, injuries, or liabilities arising directly or from such action.

7.4 Full Cost Recovery Of Investigation And Audit Costs. Contractor shall reimburse County of San Diego for all direct and indirect expenditures incurred in conducting an audit/investigation when Contractor is found in violation (material breach) of the terms of the Agreement.

At the sole discretion of the County, and subject to funding source restrictions and federal and State law, County may (1) withhold reimbursement for such costs from any amounts due to Contractor pursuant to the payment terms of the Agreement, (2) withhold reimbursement for such costs from any other amounts due to Contractor from County, and/or (3) require Contractor to remit a check for the total amount due (or a lesser amount specified by the County) to County within thirty (30) days of request by County. Alternatively, at the County's sole discretion, County and Contractor may enter into a written repayment plan for the reimbursement of the audit/investigation costs.

7.5 Termination for Convenience. The County may, by written notice stating the extent and effective date terminate this Agreement for convenience in whole or in part, at any time. The County shall pay the Contractor as full compensation for work performed in accordance with the terms of this Agreement until such termination:

7.5.1 The unit or pro rata price for any delivered and accepted portion of the work.

7.5.2 A reasonable amount, as costs of termination, not otherwise recoverable from other sources by the Contractor as approved by the County, with respect to the undelivered or unaccepted portion of the order, provided compensation hereunder shall in no event exceed the total price.

7.5.3 In no event shall the County be liable for any loss of profits on the resulting order or portion thereof so terminated.

7.5.4 County's termination of this Agreement for convenience shall not preclude County from taking any action in law or equity against Contractor for:

13.1 Findings Confidential. Any reports, information, data, etc., given to or prepared or assembled by Contractor under this Agreement that the County requests to be kept as confidential shall not be made available to any individual or organization by the Contractor without the prior written approval of the County.

13.2 Ownership, Publication, Reproduction and Use of Material. All reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other material or properties produced under this Agreement shall be the sole and exclusive property of County. No such materials or properties produced in whole or in part under this Agreement shall be subject to private use, copyright or patent right by Contractor in the United States or in any other country without the express written consent of County. County shall have unrestricted authority to publish, disclose, distribute and otherwise use, copyright or patent, in whole or in part, any such reports, studies, data, statistics, forms or other materials or properties produced under this Agreement.

13.3 Confidentiality. Contractor agrees to maintain the confidentiality of and take industry appropriate and legally required measures to prevent the unlawful disclosure of any information that is legally required to be kept confidential. Except as otherwise allowed by local, State or federal law or regulation and pursuant to this Section 13.3, Contractor agrees to only

disclose confidential records where the holder of the privilege, whether the County, or a third party, provides written permission authorizing the disclosure.

13.4 Public Records Act. The California Public Records Act ("CPRA") requires County to disclose "public records" in its actual or constructive possession unless a statutory exemption applies. This generally includes contracts and related documents. If County receives a CPRA request for records relating to the Agreement, County may, at its sole discretion, either determine its response to the request without notifying Contractor or notify Contractor of the request. If County determines its response to the request without notifying Contractor, Contractor shall hold County harmless for such determination. If County notifies Contractor of the request, Contractor may request that County withhold or redact records responsive to the request by submitting to County a written request within five (5) business days after receipt of the County's notice. Contractor's request must identify specific records to be withheld or redacted and applicable exemptions. Upon timely receipt of Contractor's request, County will review the request and at its sole discretion withhold and/or redact the records identified by Contractor. Contractor shall hold County harmless for County's decision whether to withhold and/or redact pursuant to Contractor's written request. Contractor further agrees that its defense and indemnification obligations set forth in Section 10.1 of this Agreement extend to any Claim (as defined in Section 10.1) against the County Parties (as defined in Section 10.1) arising out of County's withholding and/or redacting of records pursuant to Contractor's request. Nothing in this section shall preclude Contractor from bringing a "reverse CPRA action" to prevent disclosure of records. Nothing in this section shall prevent the County or its agents or any other governmental entity from accessing any records for the purpose of audits or program reviews if that access is legally permissible under the applicable local, State or federal laws or regulations. Similarly, County or its agent or designee may take possession of the record(s) where legally authorized to do so.

13.5 Maintenance of Records. Contractor shall maintain all records relating to its performance under this Agreement, including all records of costs charged to this Agreement, and shall make them available within San Diego County for a minimum of five (5) years from the ending date of this Agreement, or longer where required by funding source or while under dispute under the terms of this Agreement, unless County agrees in writing to an earlier disposition. Contractor shall provide any requested records to County within two (2) business days of request.

13.6 Custody of Records. County, at its option, may take custody of Contractor's client records upon Agreement, termination, expiration, or at such other time as County may deem necessary. County agrees that such custody will conform to applicable confidentiality provisions of State and federal law. Said records shall be kept by County in an accessible location within San Diego County and shall be available to Contractor for examination and inspection.

13.7 Audit Requirement.

(a) Contractor shall annually engage a Licensed Certified Public Accountant licensed to perform audits and attests in the State of California to conduct an annual audit of its operations. Contractors that expend $750,000 or more of federal grant funds per year shall also have an audit conducted in compliance with Government Auditing Standards, which includes Single Audit Act Amendments and the Compliance Supplement (2 CFR part 200 App. XI). Contractors that are commercial organizations (for-profit) are required to have a non-federal audit if, during its fiscal year, it expended a total of $750,000 or more under one or more HHS awards. 45 CFR part 74.26(d) incorporates the threshold and deadlines of the Compliance Supplement but provides for-profit organizations two options regarding the type of audit that will satisfy the audit requirements. Contractor shall include a clause in any agreement entered into with an audit firm, or notify the audit firm in writing prior to the audit firm commencing its work for Contractor, that the audit firm shall, pursuant to 31 U.S.C. 7503, and to the extent otherwise required by law, provide access by the federal government or other legally required entity to the independent auditor's working papers that were part of the independent auditor's audit of Contractor. Contractor shall submit two (2) copies of the annual audit report, the audit performed in accordance with the Compliance Supplement, and the management letter to the County fifteen (15) days after receipt from the independent Certified Public Accountant but no later than nine (9) months after the Contractor's fiscal year end.

(b) Contractor shall immediately notify County upon learning that Contractor's independent Certified Public Accountant may or will issue a disclaimer of opinion due to substantial doubt of Contractor's ability to continue as a going concern.

13.8 Reports. Contractor shall submit reports required in Exhibit A and additional reports as may be requested by the COR and agreed to by the Contractor. Format for the content of such reports may be developed by County. The timely submission of these reports is a necessary and material term and condition of this Agreement and Contractor agrees that failure to meet specified deadlines will be sufficient cause to withhold payment. Contractor shall submit to County within thirty (30) days of the termination of this Agreement a report detailing all work done pursuant to this Agreement by Contractor.

13.9 Evaluation Studies. Contractor shall participate as requested by the County in research and/or evaluative studies designed to show the effectiveness and/or efficiency of Contractor services or to provide information about Contractor's project.

ARTICLE 15
DISPUTES

Notwithstanding any provision of this Agreement to the contrary, the Contracting Officer shall decide any dispute concerning a question of fact arising out of this Agreement that is not otherwise disposed of by the parties within a reasonable period of time. The decision of the Contracting Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as necessarily to imply bad faith. Contractor shall proceed diligently with its performance hereunder pending resolution by the Contracting Officer of any such dispute. Nothing herein shall be construed as granting the Contracting Officer or any other administrative official, representative or board authority to decide questions of law, or issues regarding the medical necessity of treatment or to pre-empt any medical practitioners' judgment regarding the medical necessity of treatment of patients in their care. The foregoing does not change the County's ability to refuse to pay for services rendered if County disputes the medical necessity of care.

EXHIBIT A – STATEMENT OF WORK

1. Scope of Work/Purpose

Contractor shall provide all management, personnel, equipment, materials and supplies for 9-1-1 Advanced Life Support (ALS) level ambulance services within the Unified Service Area (USA) and provide mutual aid to adjacent areas, as needed. Additionally, Contractor shall provide billing, interface with first responder agencies, community education services, and participate in quality assurance activities and regional quality improvement processes.

2. Background

The County of San Diego, Health and Human Services Agency is the State of California designated Local Emergency Medical Services Authority (LEMSA). As the LEMSA, the County provides oversight and regulation enforcement for the prehospital emergency medical services system in San Diego County. In addition, the LEMSA is responsible for ensuring procurement of Advanced Life Support ambulance services for designated areas of the county. The Unified Service Area is designated Exclusive per Health and Safety Code 1797.85.

In December 2017, the Board of Supervisors initiated the implementation plan for the Unified Service Area which authorized the restructuring of Advanced Life Support emergency ambulance areas in unincorporated San Diego County along with the inclusion of previously undesignated areas. In 2018, the USA Request for Proposal development process included a series of stakeholder and community listening sessions conducted by The Abaris Group. A total of thirteen (13) listening sessions were conducted in the operating area communities. Information gathered from the sessions, along with recommendations from industry and leading best practice research was compiled into a final report for consideration.

USA is divided into three distinct operating areas Inland North, Inland Central and Inland South. USA spans an area of 2,660 square miles, has a total population of about 84,178 residents with approximately 8,454 ALS ambulance transports annually. These areas have smaller numbers of residents yet experience large numbers of seasonal and weekend visitors for recreational activities, creating significant fluctuations in population. The areas are geographically large and home to desert and mountainous terrain with winding roads; occasional weather constraints including extreme heat, fog, snow, and ice; as well as areas not well mapped. Combined, the existing operating areas and six undesignated areas represent over 50 percent of the land mass of San Diego County.

USA Section	**2018 Transports by Contracted Service Provider**	**2018 Transports Including Mutual Aid**	**Square Miles**	**Population***
Inland North	2,890	3,067	775	30,503
Inland Central	313	487	999	10,700
Inland South	4,347	4,900	886	42,975
Total	7,550	8,454	2,660	84,178

**Census County Divisions (CCD) are used to estimate populations. However, CCD boundaries do not line up with Unified Service Area boundaries and estimated populations may not reflect the area's true population. (Inland North = Valley Center CCD, Pauma Valley CCD. Inland Central = Palomar-Julian CCD and Laguna Pine Valley CCD. Inland South = Alpine CCD, Jamul CCD and Mountain Empire CCD.)*

The population density and distribution of the USA has experienced large population growth and changes in the last 15 years. It is reported that from 2001 to 2016, the overall population of San Diego County increased by approximately 15 percent, while the population of the USA increased nearly twice as much (27 percent) as the County over the same 15-year period. (Population based on sub regional boundaries, data source: Population data from the San Diego Association of Governments (SANDAG), 2001 – 2016.)

The Unified Service Area includes multiple tribal entities participating in the local EMS system that provide ALS emergency ambulance services. They include:

- Inland North – Pala Indian Reservation
- Inland North – Rincon Indian Reservation
- Inland Central – Barona Indian Reservation
- Inland South – Viejas Indian Reservation
- Inland South – Sycuan Indian Reservation

Other tribal areas in the USA are included as part of the operating area and the contractor provides the ALS ambulance services. These include:

- Inland North – Pauma, Yuima, La Jolla, Mesa Grande and Los Coyotes Indian Reservations
- Inland Central – Santa Ysabel and Inaja – Cosmit Indian Reservations
- Inland South – Jamul Indian Village and Campo, La Posta, Manzanita, El Capitan Grande and Ewiiaapaayp Indian Reservations

Inland Central – Desert response area includes the sparsely populated areas of Ocotillo Wells, Ranchita and Shelter Valley that had 235 medical incidents in calendar year 2018 with 91 total transports and 33 incidents of transport to landing zone for air ambulance with 50% of the transports in the area occurring along the Highway 78 corridor and the other 50% occurring along Great Southern Overland between Shelter Valley and Canebrake.

Inland South includes four detention facilities located in the Otay Mesa area. Overall population of the detention facilities is approximately 7,787 with approximately 1,700 ambulance transports annually. Population count does not include the number of facility staff. The current inmate population is 3,761 at Richard J. Donovan Correctional Facility, 1,774 at George F. Bailey Detention Facility, 1,492 at CoreCivic Otay Mesa Federal Detention Facility and 760 at East Mesa Juvenile Detention Facility.

The United States Census Bureau, 2012-2016 American Community Survey 5-Year Estimates contains the following health insurance payor mix information for the Unified Service Area:

HEALTH INSURANCE TYPE	**PERCENT OF SERVICE AREA POPULATION**		
	Inland Central	Inland North	Inland South
With employer-based health insurance only	21.3%	44.6%	49.7%
With direct-purchase health insurance only	9.5%	8.8%	10.7%
With Medicare coverage only	12.3%	7.6%	4.8%
With Medicaid/means-tested public coverage only	15.5%	8.6%	9.4%
With TRICARE/military health coverage only	0.5%	2.4%	2.0%
With VA Health Care only	1.4%	0.0%	0.5%
With employer-based and direct-purchase coverage	1.3%	0.6%	0.7%
With employer-based and Medicare coverage	3.9%	3.1%	4.0%
With direct-purchase and Medicare coverage	6.6%	3.2%	3.7%
With Medicare and Medicaid/means-tested public coverage	1.6%	0.9%	1.6%
Other private only combinations	0.0%	0.2%	0.9%
Other public only combinations	1.4%	0.8%	0.4%
Other coverage combinations	7.1%	5.4%	4.8%
No health insurance coverage	17.5%*	13.9%*	6.8%*

**For geographic areas this small, the American Community Survey only offers data from their 5-Year Estimates (2012-2016), which includes data prior to the implementation of the Affordable Care Act. Therefore, those in the "no health insurance coverage" category above are most likely overrepresented in the above health insurance payor mix estimate.*

A. Additional Insured Endorsement
The County of San Diego, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers of the County, individually and collectively are to be covered as additional insureds on the General Liability policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations and automobiles owned, leased, hired or borrowed by or on behalf of the Contractor. General Liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO from CG 2010 11 85 or **both** CG 2010, CG 2026, CG 2033, or CG 2038; **and** CG 2037 forms if later revisions used).

B. Primary Insurance Endorsement
For any claims related to this project, the Contractor's insurance coverage, including any excess liability policies, shall be primary insurance at least as broad as ISO CG 2001 04 13 as respects the County, the members of the Board of Supervisors of the County and the officers, agents, employees and volunteers of the County, individually and collectively. Any insurance or self-insurance maintained by the County, its officers, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

C. Notice of Cancellation
Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the County.

D. Severability of Interest Clause
Coverage applies separately to each insured, except with respect to the limits of liability, and that an act or omission by one of the named insureds shall not reduce or avoid coverage to the other named insureds.

General Provisions

5. Qualifying Insurers

All required policies of insurance shall be issued by companies which have been approved to do business in the State of California by the State Department of Insurance, and which hold a current policy holder's alphabetic and financial size category rating of not less than A, VII according to the current Best's Key Rating guide, or a company of equal financial stability that is approved in writing by County Risk Management.

6. Evidence of Insurance

Prior to commencement of this Contract, but in no event later than the effective date of the Contract, Contractor shall furnish the County with a copy of the policy declaration and endorsement pages along with the certificates of insurance and amendatory endorsements effecting coverage required by this clause. Policy declaration and endorsement pages shall be included with renewal certificates and amendatory endorsements submissions and shall be furnished to County within thirty days of the expiration of the term of any required policy. Contractor shall permit County at all reasonable times to inspect any required policies of insurance.

7. Failure to Obtain or Maintain Insurance; County's Remedies

Contractor's failure to provide insurance specified or failure to furnish certificates of insurance and amendatory endorsements or failure to make premium payments required by such insurance shall constitute a material breach of the Contract, and County may, at its option, terminate the Contract for any such default by Contractor.

8. No Limitation of Obligations

The foregoing insurance requirements as to the types and limits of insurance coverage to be maintained by Contractor, and any approval of said insurance by the County are not intended to and shall not in any manner limit or qualify the liabilities and obligations otherwise assumed by Contractor pursuant to the Contract, including, but not limited to, the provisions concerning indemnification.

9. Review of Coverage
County retains the right at any time to review the coverage, form and amount of insurance required herein and may require Contractor to obtain insurance reasonably sufficient in coverage, form and amount to provide adequate protection against the kind and extent of risk which exists at the time a change in insurance is required.

10. Self-Insurance
Contractor may, with the prior written consent of County Risk Management, fulfill some or all of the insurance requirements contained in this Contract under a plan of self-insurance. Contractor shall only be permitted to utilize such self-insurance if in the opinion of County Risk Management, Contractor's (i) net worth, and (ii) reserves for payment of claims of liability against Contractor, are sufficient to adequately compensate for the lack of other insurance coverage required by this Contract. Contractor's utilization of self-insurance shall not in any way limit liabilities assumed by Contractor under the Contract.

11. Claims Made Coverage
If coverage is written on a "claims made" basis, the Certificate of Insurance shall clearly so state. In addition to the coverage requirements specified above, such policy shall provide that:

A. The policy retroactive date coincides with or precedes Contractor's commencement of work under the Contract (including subsequent policies purchased as renewals or replacements).
B. Contractor will make every effort to maintain similar insurance during the required extended period of coverage following expiration of the Contact.
C. If insurance is terminated for any reason, Contractor shall purchase an extended reporting provision of at least three years to report claims arising in connection with the Contract.
D. The policy allows for reporting of circumstances or incidents that might give rise to future claims.

12. Subcontractors' Insurance
Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. Such Additional Insured endorsement shall be attached to the certificate of insurance in order to be valid and on a form at least as broad as ISO from CG 2010 11 85 or **both** CG 2010, CG 2026, CG 2033, or CG 2038; **and** CG 2037 forms if later revisions used. If any sub contractor's coverage does not comply with the foregoing provisions, Contractor shall defend and indemnify the County from any damage, loss, cost, or expense, including attorneys' fees, incurred by County as a result of subcontractor's failure to maintain required coverage.

13. Waiver of Subrogation
Contractor hereby grants to County a waiver of their rights of subrogation which any insurer of Contractor may acquire against County by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County for all work performed by the Contractor, its employees, agents and subcontractors.

Offeror must submit a DVBE Subcontractor Participation Summary and DVBE Subcontractor Participation Plan based on total pricing/payment schedule of its submittal. ADDENDUM No. 2

9-1-1 ADVANCED LIFE SUPPORT LEVEL AMBULANCE SERVICES FOR THE UNIFIED SERVICE AREA (USA) - (RFP 9893)

Addendum No. 2 forms a part of the contract documents and changes the original documents only in the manner and to the extent stated.

QUESTIONS AND ANSWERS:

Q: **Under Section 2. INSTRUCTIONS FOR SUBMITTING A PROPOSAL, Sub-section 2.4.3. states "Proposals shall be formatted as black ink on white background/paper with no shading, or otherwise suitable for black and white reproduction." Can you please clarify if the RFP is required to be formatted in black and white or if color is acceptable if visible in black and white reproduction?**

A: *Original attachment uploaded to Buynet is required to be in black and white, no color; the copies requested can be in color.*

Q: **Exhibit A-Statement of Work, Sub-section 4.2.1. states Inland North includes "…the previously undesignated areas of De Luz and San Pasqual." Are call volume statistics available for these areas?**

A: *See Addendum 1, Q&A 5.*

Q: **The following question was asked at the pre-proposal conference, however, could you please reiterate that only electronic copies of the proposal(s) are to be submitted via BuyNet or CD/DVD at the Purchasing and Contracting front desk and printed original copies are not required?**

A: *See Addendum 1, Q&A 2 and Changes 1.*

Q: **Under Submittal Requirements, Section 2. EXPERIENCE, Sub-section 2.5. References, it states "Provide a minimum of three (3) business references for the Offeror's most relevant projects or programs within the past five (5) years." If an Offeror's most relevant contracts within the past 5 years are San Diego County, Health and Human Services Agency, Medical Care Services Division, Emergency Medical Services contracts for 911 ALS level ambulance services, is it appropriate to (1) list the County EMS Agency as a business reference and (2) list the current Program Coordinator as the contact person**

A: *If a County of San Diego contract is the only recent relevant experience then yes, you would list that information.*

If you have any questions, please contact Kristen N. McEachron, Senior Procurement Contracting Officer at (858) 505-6360, or by email at kristen.mceachron@sdcounty.ca.gov.
