**Instructions for Completing Fingerprint Card**

As authorized by Health & Safety Code Section 1797.172, all new applicants for licensure as a Paramedic and Paramedics whose licenses have lapsed beyond one year are required to submit fingerprints for a criminal history check prior to being licensed. License applicants that reside outside of California are required to submit a fingerprint card (FD-258) for both a California Department of Justice (DOJ) and a Federal Bureau of Investigation (FBI) criminal history check.

California Penal Code Section 11102.1 precludes the DOJ from accepting applicant fingerprints unless the impressions were rolled by a certified fingerprint roller, or by an individual who is specifically exempt from the certification requirement. Currently, only law enforcement personnel and state employees who have met specified requirements are exempt from the certification requirement. This statute was enacted to protect the integrity of California's criminal history records and guard against fraud by certifying those individuals who roll applicant fingerprint impressions.

In order to meet this mandate and avoid the processing delays and additional costs that result from fingerprint rejects, individuals residing outside of California and applying for employment or licensure in California, who cannot be fingerprinted in California, must have their fingerprints rolled at a law enforcement agency in their state of residence.

The non-refundable fee for processing the DOJ criminal history check is \$32. There is an additional fee of \$17 for the FBI criminal history check, and a rolling fee to the agency doing the fingerprinting. The DOJ and FBI processing fees are in addition to the rolling fee which is normally paid directly to the agency doing the fingerprinting. The DOJ and FBI fees are subject to change without notice. Once you have had your fingerprints done, send your completed fingerprint card with a check or money order, payable to the Department of Justice, in the amount of \$49 for processing a DOJ and the FBI criminal history check, to:

California Department of Justice  
P. O. Box 903417  
Sacramento, Ca 94203-4170

DOJ will forward the fingerprints to the FBI for processing and the results of the criminal history.

**IMPORTANT: FBI Inquiries-** If after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency. Order No. 113 -86, 51 FR 16677, May 6, 1 86, as amended by Order NO. 2258- , 6 FR 52226, Sept. 28, 1 Federal Code of Regulations, Title 28, Section 16.3 .
