AMBULANCE STRIKE TEAM - MEDICAL TASK FORCE LEADER POSITION TASK BOOK

Position Task Books (PTB) have been developed for designated positions within the National Interagency Incident Management System. This PTB was developed for use in Ambulance Strike Team (AST)/Medical Task Force (MTF) Leader positions in California. The PTB lists the performance requirements (tasks) for the specific position in a format that allows a trainee to be evaluated against written guidelines. Successful performance of all tasks, as observed and recorded by an evaluator, will result in a recommendation to the agency that the trainee be certified in that position.

Evaluation and confirmation of the trainee's performance of all the tasks may involve more than one Evaluator and can occur at incidents, planned events, full scale exercises, in classroom simulations, and in other work situations. It is important that performance be critically evaluated and accurately recorded by each evaluator. All tasks must be evaluated before recommending certification. All bullet statements within a task which require an action (contain an action verb) must be demonstrated before that task can be signed off. Pictures, copies of IAP OR ICS 201s on an incident, exercise plans, and other supporting documents are encouraged.

RESPONSIBILITIES:

1. The **Agency/Employer** shall be responsible to:
 - Select trainees based on the needs of the Agency/Employer and higher levels.
 - Select individuals to serve as Evaluators of trainees and who can sign off on various elements in the PTB.
 - Ensure that the trainee meets the training and experience requirements included in the Ambulance Strike Team Guidelines (www.emsa.ca.gov)
 - Initiate PTBs to document task performance.
 - Explain to the trainee the purpose and processes of the PTB as well as the trainee's responsibilities.
 - Provide opportunities for evaluation and/or making the trainee available for evaluation.
 - Provide an evaluator for local assignments.
 - Track progress of the trainee.
 - Confirm PTB completion.
 - Determine certification per EMSA standards.

- Ensure proof of certification and identifying personnel as resource for deployment
- Sign the “Agency Certification” verification statement on page 2 of the PTB when all tasks have been initiated and if the trainee is recommended for certification.

2. The **Trainee** is responsible to:

1. Review and understanding instructions in the PTB.
2. Identify desired objectives/goals.
3. Provide background information to an evaluator.
4. Satisfactorily demonstrate completion of all tasks for AST/MTF Leader within five years.
5. Assure the Evaluation Record is complete and accurate.
6. Notify Agency/Employer personnel when the PTB is completed
7. Retain a copy of the PTB and providing the original PTB for placement in his/her personal records.
8. Provide Agency/Employer(s) with proof of certification.

3. The **Evaluator** is responsible to:

- Understand the AST/MTF Leader qualification process.
- Be aware of the proficiencies required in the position being evaluated.
- If possible, meet with the trainee and determining past experience, current qualifications, and desired objectives/goals.
- Review tasks with the trainee.
- Explain to the trainee the evaluation procedures that will be utilized, and which objectives may be attained.
- Identify tasks to be performed during the evaluation period.
- Accurately evaluate and record demonstrated performance of tasks. Satisfactory performance shall be documented by dating and initialing completion of the task. Unsatisfactory performance shall be documented in the Evaluation Record.

- Completing the Evaluation Record found at the end of this PTB.
4. When available, the **Incident Training Specialist** (someone in authority at the incident) is responsible to:
- Identify incident evaluation opportunities.
 - Assure that trainees have met prerequisites.
 - Identify and assign a qualified evaluator that can provide a positive experience for the trainee and making an accurate and honest appraisal of the trainee's performance.
 - Document the assignment.
 - Conduct progress reviews.
 - Conduct a close-out interview with the trainee and evaluator and assuring that documentation is proper and complete.
 - Notify trainee's Agency/Employer.

COMPLETE THESE ITEMS AT THE START OF THE EVALUATION PERIOD:

Evaluator's name, incident/office title, and agency: List the name of the evaluator, his/her incident position (on incidents) or office title, and agency. The evaluator for any given incident or situation may be the trainee's employer, Training Officer, an Op Area or Regional Ambulance Coordinator, or representative from the Incident Management Team responsible for observing and/or managing ambulance resources.

Evaluator's Agency/Employer address and phone: Self explanatory

The **Incident Training Specialist** is any person at the incident performing in a position of authority who can observe AST/MTF Leader trainee performing the tasks listed.

The **Regional AST/MTF Resource Coordination Process** is to be determined within each region, taking into consideration the unique structure, design and function of disaster planning and response in the counties within that region.

#: The number in the upper left corner of the experience block identifies a particular experience or group of experiences. This number should be placed in the column labeled "Evaluation Record #" on the Qualification Record for each task performed satisfactorily.

Location of Incident/Simulation: Identify the location where the tasks were performed by agency and office.

Incident Kind: Enter kind of incident, e.g., MCI, earthquake, search and rescue, flood, etc.

COMPLETE THESE ITEMS AT THE END OF THE EVALUATION PERIOD:

Number and Type of Resources: Enter the number of resources and types assigned to the incident pertinent to the trainee's task book position.

Duration: Enter inclusive dates during which the trainee was evaluated. This block may indicate a span of time covering several small and similar incidents if the trainee has been evaluated on that basis, i.e., several incidents.

Recommendation: Check as appropriate and/or make comments regarding the future needs for development of this trainee.

Date: List the date the record is being completed.

Evaluator's initials: Initial here to authenticate your recommendations and to allow for comparison with initials in the Qualifications Record.

Evaluator's relevant rating: List your certification relevant to the trainee position you supervised.
